INDIA'S FASTEST GROWING BRAND

Ceramics today have become an integral part of home development, India being one of the largest domestic market for this segment. Emerged as the 3rd largest consumer for ceramic tiles in the world, India is very well positioned to take the challenges of a global manufacturing base.

At Oasis Tiles India, the country's fastest growing brand, we embrace these challenges and have evolved our offerings that meet and even exceed the expectations of our patrons. Being a leader in the sector, Oasis is a forerunner of technology and quality, creating a better sphere in the Indian tile industry.

Oasis does not believe in selling mere products but instead creating experiences that leave the customers rejuvenated. We thus innovate and implement on every business aspect to continuously improve as a total business entity. One of the core foundations at Oasis is strong Research and Development. Our plants are equipped with the most modern cutting edge technology, mainly adopted from ITALY and SPAIN. Automation and updating is a regular process to keep abreast with competition and the global trends.

Over the past decade, the company has introduced several premium products including High Gloss Glazed vitrified tiles, Sugar finish Glazed vitrified tiles, Glazed vitrified tiles, Glazed Outdoor vitrified tiles, Full body vitrified tiles, Double Charge vitrified tiles, Glazed Ceramic wall tiles and exclusive sanitaryware collection etc. In this catalogue Oasis, the pioneers of Double Charge Vitrified tiles in India brings to you MAXIMA – our exclusive range of Double Charge Vitrified tiles that not only caters to the domestic requirements but is also a perfect fit for commercial spaces.

MAXIMA – the largest range of Double Charge Vitrified tiles in India comes with an endless surety of top quality, durability and strength. Available in the sizes of 120x80cm and 80x80cm. Forms of home décor like marble or wooden alternatives grossly affect the natural environment as they require deforestation or mining in their process. Maxima can easily replace even the Italian marble, thus contributing towards saving the environment.

Maxima is a collection of eclectic masterpieces that are sure to leave you mesmerised. Thus, explore the plethora of gorgeous designs and embark upon a captivating journey with this chic collection.
